Mr. Clark Mollenhoff
Cowles Publications
National Press Building
Washington, D. C.

Dear Clark:

I was in twice to see you with advance copies. You were away. Here is one of the books of which I told you. Another, CIA WHITEWASH: OSWALD IN NEW ORLEANS, completed in early April, is in the hands of a small publisher. Dell broke their contract for it in May.

I had hoped you would help me break through the suppression, total except for the New York Times.

Sincerely yours,

Harold Weisberg
